

WINCHESTER OB/GYN PATIENT PORTAL INFORMATION

We are honored that you have chosen us as your healthcare provider. Today we have exciting news regarding your health management!

As we continue in our efforts to provide our patients with the highest quality of care, we are constantly looking for methods of working together with you to ensure that you are not only aware of, but also involved in the management and improvement of your health.

We are proud to inform you that our practice now offers the opportunity to use the power of the web to track the most important aspects of your healthcare through our office. The Patient Portal enables our patients to communicate with our doctors, nurses and staff members easily, safely, and securely via the Internet.

Upon checking in you will be asked to provide your email address. Once you are web enabled you will receive an email with a link to sign up for the patient portal. Please feel free to call the office with any questions or problems you may encounter.

Currently, through the Patient Portal, you are able to:

- ask questions of doctors, nurses, and staff members
- request prescription refills
- Receive visit summaries
- Send a request for an appointment
- Access test results

...all from the comfort of your home, whenever it is convenient for you!

Please Note

Communications will not be responded to on Weekends or Holidays

Begin today to take an active role in managing your healthcare!
